The duties listed are representative of the job; however, it in no way states or implies that these are the only duties a person may be required to perform. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or is an essential function of the position.

Compensation:

R15,000 per month

Note:

This is not an employment offer, instead you will be working as an independent service provider, and you will invoice us for the services provided.

Payment Terms:

You will have to send us invoice for the entire month work at the end of that month and you will be paid within 10 working days from the date of invoicing

Referrals:

Please see if you can refer someone else for this position too.
